Dear Members of the Northern Arapaho Tribe,

In response to our efforts to reform oversight of Joint Programs, we've seen misleading announcements about whether Joint Programs will continue to operate, and whether employees will be paid.

The Northern Arapaho Business Council wants to assure everyone that it will continue to sign the paychecks of all employees for Joint Programs, provide support to these programs, and honor our contracts in every way.

We appreciate your cooperation through these changes as we transition toward a better way of doing things.

Sincerely,

A handwritten signature in cursive script, appearing to read "Daniel & Calderon".
