CHAPTER 1: GENERAL MATTERS

Section 101 - Title. This Code shall be known as the Wind River Sex Offender Registration and Notification Code.

Section 102 - Purpose. The intent of this Code is to implement the federal Sex Offender Registration and Notification Act (SORNA) (Title I of Public Law 109-248) and shall be interpreted liberally to comply with the terms and conditions of SORNA as presently written or hereafter amended.

Section 103 - Need. Violent crime in Indian Country is more than twice the national average. On some reservations it is twenty times the national average. An astounding thirty percent of Indian and Alaska Native women will be raped in their lifetimes. Tribal nations are disproportionately affected by violent crime and sex offenses in particular from both Indian and non-Indian perpetrators; consequently, the conduct and presence of convicted sex offenders in Indian Country threatens the political integrity, economic security, health and welfare of tribal nations, even to the point of imperiling the subsistence of tribal communities.

Section 104 - Creation of Registries.

(a) **Sex Offender Registry.** There is hereby established a sex offender registry, which the WRSORNA Office shall maintain and operate pursuant to the provisions of this Code, as amended.

(b) **Public Sex Offender Registry Website.** There is hereby established a public sex offender registry website, which the WRSORNA Office shall maintain and operate pursuant to the provisions of this Code, as amended.

CHAPTER 2: TERMINOLOGY AND COVERED OFFENSES

Section 201 - Definitions. The definitions below apply to this Code only:

(a) **Convicted.** An adult sex offender is "convicted" for the purposes of this Code if the sex offender has been subjected

to penal consequences based on the conviction, however the conviction may be styled.

A juvenile offender is "convicted" for purposes of this Code if the juvenile offender is either:

(i) Prosecuted and found guilty as an adult for a sex offense; or

(ii) Is adjudicated delinquent as a juvenile for a sex offense, but only if the offender is fourteen (14) years of age or older at the time of the offense and the offense adjudicated was comparable to or more severe than aggravated sexual abuse (as described in either (a) or (b) of Section 2241 of Title 18, United States Code), or was an attempt or conspiracy to commit such an offense.

(b) Foreign Convictions. A foreign conviction is one obtained outside of the United States.

(c) Employee. The term "employee" as used in this Code includes, but is not limited to an individual who is self-employed or works for any other entity, regardless of compensation.
